**26
HORSEPOWER**

**3 CYLINDER
DIESEL**

**HYDROSTATIC
DRIVE**

**700 KG LIFT
CAPACITY**

Get more work done quicker with this small-frame tractor. The T265 balances maximized lift capabilities and high maneuverability to be an all-round multi-tasking machine. With narrow dimensions, a small turning radius, intuitive controls, and a lightweight design, the T265 compact tractor is the ideal machine for any home with a yard. A dedicated mid-mount linkage allows easy attachment to a range of mowers in different sizes, while front-end and rear linkages allow for additional functionality compared to ride-on mowers.

This tractor was designed to have an optimal height and a heavier structure, enhancing robustness and durability for increased superior hitch lift capabilities. A larger turning radius and higher traveling speeds enable greater ground coverage, backed by an engine that generates more power at lower rpms.

BONUS
**4 FOOT FINISHING MOWER
OR FLAIL MULCHER!!**

ABOUT US

Since 2013, we have been providing new tractor sales, machinery parts, tractor servicing and after care support for not only our quality Italian brands of tractors in the Bay but for most makes and models, We also stock a wide range of used tractors for sale for sale in excellent condition.

We are a family owned NZ business that places high value on you, the customer, with a team that has a wealth of knowledge on all horticultural and agricultural needs. We are proud of our product, brands and the service we provide and understand the importance of not only great quality product and service but of great trustworthy long-term relationships. You, the customer, are our core focus and we strive to ensure your needs are clearly identified and that we do our utmost to ensure these needs are met. From farm tractors to efficient and affordable tractor servicing, our team has the entire Bay region covered, from Opotiki to Waihi and everywhere in between.

We are based in Te Puke in the Bay of Plenty, the "Kiwifruit Capital of the World", sharing the same facility as the New Zealand Distributor Agtek, whose market leading brands we represent. We specialise in horticulture tractors, representing market leading Italian brands Landini and Goldoni, enabling us to offer over 25 models and various versions.

We don't just provide you with a great Italian range of tractors, we also provide on-site, a huge range of parts and our experienced parts team can source parts for most makes & models. We have a large modern workshop facility and mobile service vehicles with factory trained technicians with competitive pricing and fast service turnaround time. We are also the Orchard Rite agents for wind machine servicing.

Our dedicated team are looking forward to helping you on the way to either a new tractor or implement, used tractor, parts for your tractor or machinery or any type of service work you require.

Look no further for tractors in the Bay of Plenty region.
